

SAN FRANCISCO BAY AREA ASSOCIATION FOR PSYCHOLOGICAL TYPE

Weston Scholarship Mentor APPLICATION FORM

You are invited to mentor a student who is a recipient of the **BAAPT Diane Weston Scholarship**. A key component of the scholarship is the opportunity for the recipient to co-present an *Introduction to MBTI®* session with a seasoned MBTI® practitioner. The session will be conducted from 9:30 AM to 12:30 PM on Saturday, August 25 or October 27, 2012. The session will be a self-discovery process rather than using the MBTI® instrument, to keep attendee costs low. Your services will be provided *pro bono*. Attendees of the *Introduction to MBTI®* sessions will be recruited from the general Bay Area population and members of related professional associations such as SHRM, ASTD, ODN, ICF, as well as friends of BAAPT.
